Willard Graham, 33, Killed In Plane Crash Saturday In Virginia

Willard Graham, 33, of Midland, was killed Saturday night when the twin engined plane in which he was riding as a passenger, crashed near Waynesboro, Virginia.

Mr. Graham was the son of Dist. Judge and Mrs. O. D. Graham of Cameron.

Graham was a regional geologists for the Plymouth Oil Co. He and four others were killed in the plane belonging to the Plymouth Oil Co. of Sinton when it crashed on the side of the Blue Ridge Mountains in foggy weather. His four companions were from Sinton.

Graham was born Jan. 25, 1921, at Thorndale and graduated from Thorndale schools. He received his B. S. degree from A&M in 1941 and his M.S., also from A&M, in 1942. He served in the Navy from 1942 to November of 1945.

He was a member of the Christian church.

Other survivors are his wife, Mrs Margie Graham of Midland; an 8 year old son Alan Graham of Midland; one sister, Mrs. MacRoy Rasor, of Austin, and one brother, Hugh Graham, of Curundu, Panaam Canal Zone.

Funeral services were scheduled at 10 a. m. Wednesday, November 24 at the First Christian church with Rev. Harsh Brown officiating. Burial in Oak Hill Cemetery under the direction of Marek-Burns Funeral directors.

Tragedy Strikes R. B. Collier; Billfold Lost

Tradgedy, in the form of a lost billfold, has struck the family of R. B. Collier, 85 years of age, who lives at 712 North Fannin in Cameron.

When taking his wife to the doctor earlier this week Mr. Collier stopped in front of Stewarts Grocery store and reached into his pocket for a coin to put into the parking meter. His billfold must have slipped out of his pocket unnoticed, for that is the last time he saw it.

One of the most unfortunate aspects of losing his billfold was that he had most of his and his wifes pension money inside, with which he planned to pay their bills and buy their food.

They now have exactly 25 cents.

Anyone finding the billfold, which has an identification card from the Pioneer American Insurance company inside, has been urged to call Mr. Collier or The Cameron Herald, phone number 282 immediately for a reward.

Yoe-'Roo Grid Tickets On Sale Here At YHS

Cameron school officials and coaches met with the Killeen school officials Saturday in Austin to lay out plans for the bi-district clash between the two schools.

Cameron had no choice as to where the game would be played as Killeen and Cameron played their last district game in Cameron four years ago. According to Interscholastic Rules, the school must return the game. This ruling up holds for six years.

The game will be played in Killeen Friday night, Nov. 26 with the opening kickoff at 8 p. m.

Representing Cameron were Superintendent W. T. Hanes, Principal S. M. Layfield, and Coaches Leo Jackson and J. R. Young. Killeen officials were Superintendent C. E. Ellison, Business Manager Leo Peoples, Principal Stanley and Coach Leo Buckley.

Reserved seat tickets went on sale at 10 a. m. Monday morning in the local superintendent's office. Those holding Cameron reserved seat tickets will have first choice on the tickets. Tuesday morning at 7:30 the tickets will open on a first come, first serve basics. Reserved seat tickets are selling for $1.25. General admission tickets are $1 with student tickets available for 50 cents.

All ticket sales will close at 4 p. m. Wednesday, Coach Jackson announced, due to the Thursday and Friday holidays.

Father of Local Man Dies In Rosebud Wed.

Frank Mees, 68, died at his home in Rosebud at 4 p. m. Wednesday.

Born in Carlinville, Ill., Jan. 11, 1886, he came to Texas in 1898, settling in Galveston. In 1901, he moved to Westphalia, where he married Miss Mary Gerngross in 1909.

He farmed at Westphalia until bad health forced his retirement in 1944. He then moved to Rosebud in 1948. He was a leader in the Saint Michael's Society in Westphalia.

Funeral services were held Friday at 9:30 a. m. at Church of Vistation in Westphalia with Father S. Lupinski officiating assisted by Monsignor Robert Schertz.

Burial was in the Saint Mary's cemetery of Westphalia. Rosary services will be recited at the Green Funeral home in Rosebud Thursday at 7 p. m.

Survivors include his wife; three sons, Willie and Eugene of Cameron and Elmer of Belton; one daughter, Mrs. Evelyn Olbrich of Houston; three brothers, John and Hugo of Abilene and George of Waco; one sister, Mrs. Clara Cadens of San Antonio; and 11 grandchildren.

Green Funeral home of Rosebud was in charge.

Newly Formed Local Kiwanas Conference Hosts

City Files Case Of Appeal Against County Judge For Meter Violation

Complete legal instruments in the case of the City of Cameron against County Judge Charles C. Smith, Jr. were filed in the County Criminal docket Saturday, November 13, in compliance with the appeal requested by Smiths attorney Jack Prescott.

Corporation court Judge O. B. Horstmann, mayor, heard the case originally on October 9 and entered a verdict of guilty against Smith and fined him $15.00 and cost of court for a parking ticket violation.

It was reported that the case will come to trial in the County Court when a Judge, meeting the approval of all parties concerned, can be decided upon.

When contacted Judge Smith stated, "I am not guilty of the offense alleged and I still believe that my attitude concerning parking meters on the courthouse square is morally sound."

Church phoning committees of the respective churches in Cameron will assist by reminding the members of the congregations to "light the Christmas trees for the mentally retarded".

Rev. R. Ledbetter, Former Milano Pastor Dies November 20

Rev. R. E. Ledbetter, who served as pastor of the Milano Methodist Church for four years, died at his home in Austin, Saturday, Nov. 20. Rev. Ledbetter had been in declining health for several months and recently resigned as pastor of the Milano church.

Funeral services were held at 2:30 p. m. at the Milano Methodist Church Monday, Nov. 22.

America should retain her reputation for being the melting pot--but should make it hotter for those who refuse to melt.

A boy seldom inherits his bad habits from his father -- father usually hangs on to all he has.

Mrs. S. M. Corley of Buckholts was a visitor in Cameron Monday.

Safe Was Locked At Time Of Church Robbery

It was reported today by authorities at the First Methodist church that contrary to the statement by Sheriff Carl Black, the safe in the Church was locked at the time of robbery Sunday. They added that the theft looked like the work of professionals, since the purse of Dorothy Johnson appeared untampered with and yet was missing $48.

Later in the morning Monday, after an official visit by Sheriff Black, who church authorities stated did not make a thorough or lengthly examination of the rooms safe, or take any fingerprints, a cloth which had been kept on top of the safe was picked up off the floor.

Mrs. Hudson, a teacher in Cameron Public Schools and a member of the Methodist Church, reported that she had seen a strange man walking down the front steps of the church during the late afternoon and wondered at the time, what he was doing there since those steps are used only for morning and evening worship services.

The First Baptist Church in Calvert was robbed during church services Sunday.

BAND SWEETHEART --Shown above is Josephine Wohleb, sweetheart of the Yoe High School band for 1954-55. Miss Wohleb, a freshman student of the school, is the daughter of Mr. and Mrs. S. Wohleb of Route 1, Cameron. She attended St. Anthony Catholic School prior to entering Yoe High.

Rev. Clyde Holtmann Named Pastor Of Rockdale Church

Rev. Clyde Holtmann, assistant pastor of St. Monica's Catholic Church of Cameron, will assume duties as pastor of Saint Joseph's Catholic Church in Rockdale on December 4, 1954.

Rev. Holtmann began his duties at the local Catholic parish on September 1, 1951. He was ordained in Mary of that same year.

Besides his regular duties in the Church, Rev. Holtmann had charge of the youth organization and was leader of the Explorer Scout Troop of the parish.

Only 27 days left until that main event in all youngsters lives, Christmas. It is past time to get those Santa Claus letters into the office of the Cameron Herald.

Don't hesitate, start today to send in your childrens letters to Santa, so that they can all be put in Santa's bag when he visits here November 29 for the Christmas parade.

Let your children write their own letter or you write it for them, the important thing is to have what they especially want.

All letters will be published in the Herald Christmas Edition.

New Milam Theatre To Feature Score Of Treats At Grand Opening November 25

New, all new! The Milam Theatre has a score of treats in store for its patrons when the doors open Thanksgiving Day, Thursday, November 25, after an extensive remodeling program.

The theatre has been completely re-seated; new, plush carpeting featuring a deep red background and black and white modernistic design been added; clean, tile restrooms, new projection equipment and, best of all according to manager Dean White the new wide Cinemascope screen, making it possible to show the public all the latest and greatest movies.

During their grand opening the top reviewed film "Seven Brides for Seven Brothers" featuring Jeff Richards, Russ Tamblyn and Tommy Rall will be shown.

The musical is based on the story "The Sobbin' Women" by the well known author Stephen Vincnt Benet.

Some other select movies to be shown in the near future are "Sabrina", "About Mrs. Leslie", "The Robe" and "Three Coins in a Fountain".

Cameron Yoemen Meet Killeen Friday In Bi-District Clash

After many weeks of basic training, the Cameron Yoemen will move their troops and equipment to Killeen Friday night to engage in the first real "WAR" of the season.

The only ammunition of the Yoemen will be their traditional bow and arrow, however, they will be equipped with the willingness and engery of their powerful little back field, and a good sturdy line.

Thats what the bi-district game will amount to, a battle, every minute of it. One things for sure, it'll be a rock'em, sock'em ball game, and Cameron, the co-champions of District 22-AA, and Killeen the champs of District 21-AA, will fight it out on 'Roo field beginning at 8 p. m. for the first long step 'up the ladder' in state playoffs.

Late Tuesday morning S. M. Layfield, principal, announced that Killeen was sending another section of reserved seats for local fans and the tickets were scheduled to arrive at noon today. Tickts have been going fast, and local fans have been urged to purchase them early.

All ticket sales will discontinue here at 4 p. m. Wednesday due to the Thanksgiving holidays. They are on sale at the Super in tendent's office at Yoe High.

These two squads met earlier in the season with Killeen going home with a 20-6 victory. But Yoe fans are remined that during this battle, Killeen was given one touchdown on a Yoe penality, and the Yoemen had two touchdown passes slip right through their fingers.

Coach Leo Jackson stated that the Yoemen did have the underdog spot in the game since Killeen is considered as one of the powerful grid teams in the state. But same was the case whe nthe Yoemen met Gonzales a few years ago in bi-district.

"Those boys have come further along than any group I have ever coached", Coach Jackson stated Monday. The veteran coach is still carrying optimistic views of the game and the same feeling has been injected into the Yoemen's blood.

They are out for a bi-district victory Friday night and as far as Killeen is concerned, the Yoemen are playing another ballgame that will be played as hard as ever.

The boys are in top shape for this important clash. They have been sharping up on their provisions for the attack on the Killeen team and at the same time preparing for the defense of their title. Not only will they be after a bi-district win, but it's time for the Yoes to revenge those losses the Maroon and White Kangaroo eleven has nailed on the locals the past few years. The last time Cameron won over a 'Roo team was in 1951 when they came home with a 7-6 victory. This was a non-conference game. The next time the Cameron-Killeen teams met on the Kangaroo soil, in 1953, Killeen was the victor, 33-7.

Fans are urged to purchase their tickets early and attend the game in Killeen Friday night. It'll be a tight thrilling ballgame with both squads having to fight for a victory.

Education means developing the mind, not stuffing the memory.

New Corn Hybrids Released, First In Texas Without Detasseling; Better Yield

Two new corn hybrids have been released by the Texas Agricultural Experiment Station. They are Texas 17W, a white hybrid and Texas 32 a yellow hybrid. According to Dr. J. S. Rogers, who has charge of the Station's corn breeding program, seed will be available through established seed dealers for 1955 planting.

The new hybrids are the first to be produced in Texas without detasseling. In commenting on the new hybrids, Rogers says 17W is 3 or 4 days earlier than Texas 11W and 15W and produces a larger grain. It has shown excellent resistance to root lodging and stalk breaking and is reasonably free of earworm damage. The plants are smaller and shorter than 15W and should be planted at heavier rate than for other hybrids.

Because of its earliness, 17W has outyielded 15W under drouth conditions. It is recommended for all areas in Texas where corn is grown and especially where moisture is a seriously limiting factor.

Texas 32 is similiar in performance to the present Texas yellow hybrids 26, 28 and 30. It produces slightly longer ears and smaller grain and under most Texas conditions one ear per stalk. It has shown a wide range of adaptation but tends to produce best under highly favorable conditions. Texas 32 has good resistance to root lodging but shows some susceptibility to stalk breaking.

Rogers says it is recommended for most of the corn growing region of the State, but points out that Texas 30 is to be preferred in areas where insect and disease damag is excessiv and Txas 26 and 28 in th drier areas of the State.

Howard, Colored Band Director Is Indicted

T. R. Howard, joint band director of the Rockdale and Cameron colored schools, was indicted Wednesday morning by the Grand Jury for the theft of musical instruments over $50 in value.

Howard has been employed by the schools for two years. The theft was brought to the attention of school officials and upon investigation of Jim Miller, District Attorney and Hinton Pruett, County Superintendent, evidence was given that the instruments had been taken by Howard.

Jurors were J. A. Ely, Jr., Sam Brewer, W. D. Bigbee, Raymond Ashby, Willy Randermann, C. W. Bailey, Edward Bartlett, Jr., Brewond Culp, Horace Barron, Allen Doss, L. R. Wallace and I. B. Bullock.

Kiwanis Lt. Governor Tells Of Objectives

Many of the objectives and much history of the Kiwanis organization was brought out by S. Lovelace, Lt. Governor of Texas and Oklahoma District 9 at an organizational meeting of the newly formed local Kiwanis Club here Thursday noon in the Milam County Coffee Shop.

Following an invocation by Dr. John Bryson the meeting was opened by Wiley Loughmiller, temporary chairman, who introduced the guest speaker.

Many points were brought out about the working operation of the Kiwanis as a whole, who have the motto "We Build".

Several objects of Kiwanis specifically named by Lovelace were: (1) To give primacy to the human and spiritual rather than to the material values of life; (2) To encourage the daily living of the Golden Rule in all human relationships; (3) To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities, along with many other primary aims.

Eleven charter members were present at th meeting, with th next meeting moved ahead to the date of December 2 due to Thanksgiving holiday.

Those present were Allen Dodson, Fred Carroll, Pat Sanders, Ed Laywell, Tom Stratton, M. R. Curley, Jerry Schiller, Robert C. Nelson, Forrest Sapp, Dr. Bryson, Mr. Loughmiller and the Lt. Governor of Kiwanis.

LETTER FROM THE EDITOR

To the person writing anonimous letter to the Herald:

It is our wish that we could publish your letter concerning the school situation, but due to it being unsigned we are unable to do so.

You made several good points which the general public is entitled to know, particularly since it appears, from the sound of your letter, that you are on, or very close to the teaching staff in Cameron Public Schools.

It was remarked in your letter that "We will send in the questions if you will use them." Let us assure you that all questions sent in by any reader will be asked and if possible answered in the news columns of the Midget and The Cameron Herald.

Write your letters, anyone wishing to do so. Ask your questions, we will strive for answers in an effort to make the school and community to work in harmony. Perhaps only explanations are needed to satisfy the residents of this school district.

The school effects every parent having a child in school to a great degree and, of course, interests them. This is as it should be, the school is their property and any business, no matter how large o small, is, of necessity, their business.

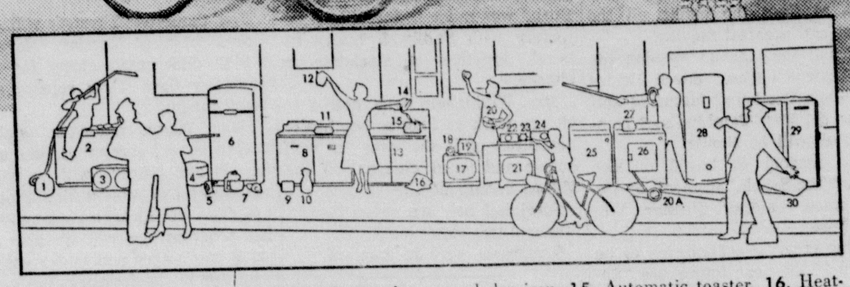
AS GENERAL ELECTRIC SEES IT...

Every year Americans live better because electricity costs so little

These 30 everyday General Electric appliances lined up on the front lawn dramatize the impact of low-cost electricity on American life. Per capita use of electricity in U.S. is 2 times Britain's, 5 times Russia's, 167 times India's.



They go to work at the touch of a finger tip:
1. Swivel-top vacuum cleaner and accessories 2. Food freezer 3. Twin-fan ventilator 4. Floor circulator fan 5. Portable mixer 6. Refrigerator-food freezer 7. Triple-whip mixer with accessories 8. Electric sink (including dishwasher) 9. Kitchen wall clock 10. Disposall® (food-waste disposer) 11. Sandwich grill-waffle iron 12. Automatic coffee maker 13. Range 14. Steam and dry iron 15. Automatic toaster 16. Heating pad 17. Table television set 18. Alarm clock 19. Portable radio 20-20A. Lamps: Inside-frost, three-lite, white-bulb, sunlamp, heat lamp, spotlight, floodlight, circline fluorescent, and fluorescent 21. Console television set 22. Clock radio 23. Occasional clock 24. Table radio 25. Automatic washer 26. Clothes dryer 27. Workshop motor 28. Water heater 29. Year-round air conditioner 30. Automatic blanket.

An average U. S. family uses enough power each day to equal the energy output of 35 hard-working men

Nowhere on earth has electricity been put to work more widely than in the United States, and its price been kept so low.

We've come a long way since Thomas Edison invented the first home use of electricity — an electric light — just 75 years ago. There are three reasons for this progress.

First, America's electric utilities have invested in facilities ($18 billion in the last ten years!). And the electrical industry has steadily increased the efficiency of power equipment. Turbine-generators made by General Electric, for example, produce 10 times more electricity per pound of coal than Edison's original generators.

Second, appliances have been constantly improved and are mass-produced to bring their price within reach of everyone. The first 60-watt lamps cost about $1.00 and gave a light equal to 7 candles; a G-E 60-watt lamp today gives a light equal to 67 candles, and costs only 19 cents.

The third reason for progress is our free economy, which has allowed industry to grow, create jobs and produce effectively for everyone's benefit. As we see it, it adds up to a good example of progress in the American way.

Meanwhile, we're hard at work to make the future even better.

Roy H. Baskin Inducted Into Medical F.A.C.S.

Roy H. Baskin of Waco, the son of Mr. and Mrs. Roy Baskin of Cameron, was among the 1,100 surgeons inducted as new Fellows of the American College of Surgeons in cap-and-gown ceremonies closing the Annual five-day Clinical Congress of this world's largest orgainization of surgeons at Atlantic City, N. J. November 19.

Dr. Baskin has had a diversified career during his pre-medical and medical years. His studies were interrupted during the second World War when he spent five years in the Navy. He then spent two yars at an Oakland, California hospital, four and one-half years at Mayo Brothers hospital and, for the past two years has been located in Waco.

Total membership of the A. C. S. is now 20,000. This fellowship entitles the recipient to the designation "F. A. C. S." following his name, and is awarded only to doctors who fulfill comprehensive requirements for acceptable medical education and advanced training as a specialist in one of the branches of surgery, and who give evidence of good moral character and ethical practice.

Mrs. Dwight Henderson of Lubbock and Mrs. Susie Sloan of Waco were recent guests of Mr. and Mrs. Vince Lesikar.

Few Cases Of Contagious Disease In County

Contagious diseases apparently lay dormant in Milam County for the week ending Saturday, November 13, according to Dr. John Bryson, head of the Milam County Health Unit.

The only diseases reported were one case of pertussis and two cases of gonorrhea.

There were no cases of strept throat, the most prevalent disease in the county for the past several weeks.

GROUP GOES SIGHTSEEING

Mrs. Jerry Underwood and children of Rogers and Mrs. Nelson Davis and sons, Dan and Redd, went sightseeing in San Antonio Saturday and Sunday. They visited the Old Spanish Villiage, the Almo, the Buckhorn Saloon, Whitte Museum and other places of interest. The Buckhorn Saloon interested the Davis boys. Their father owns a longer pair of horns than any in the Saloon.

Who Would Have Ticket No. 1?

Recently Mrs. Billly Scott, formerly of Cameron, who sells tickets at the State Theatre in Austin, was particularly impressed by a tall, good looking gentleman who presented his pass at the window.

The ticket was stamped No. 1. "That's an easy number", she said. The gentleman asked if there was any tax. She said no, still trying to place the vaguely familiar face.

A few minutes later the manager of the theatre walked out to kid her about failing to recognize Governor Allan Shivers.

Mrs. Scott, the former Joann Hope, graduated from Yoe High School and is presently attending school with her husband in Austin.

Nowadays if you don't have your own psychiatrist, people think you are crazy.

The reason hubby's words some times seem sharp is that he is just trying to get them in edgeways.

Mr. and Mrs. Jimmie Brawnstetter and daughter of Channelview were here over the weeknd to visit in the H. F. Lange home. Siegfried Wolle, who had been a gust of the Brawnstetters, accompanied them to Sharp.

ing of the rejuvenated Milam Theatre which will open Thanksgiving day.

Poultrymen are urged to attend a meeting held for their benefit in Simon-George Hall Wednesday evening at 7:30.

Advanced Concept 1955 Dodge Passenger Cars On Display This Week At Schillers

The 1955 Dodge passenger car line, an advanced concept in automotive body design, will be introduced this week in Schiller Motor Company showrooms.

William C. Newberg, Dodge president, explained that car stylists have blended aircraft sleekness and power into a "design of refreshing beauty."

He revealed that Dodge engineers have incorporated over 100 structural and mechanical innovations in the longer, lower and wider 1955 line. He said all four-door sedans have a distinct touch of hardtop styling.

Offering three series — the new and luxurious Custom Royal, the richly appointed Royal and the classic Coronet — the '55 Dodge has a built-in look of action, resulting from its swept-back design.

Performance to bear out the airalicing swiftness in styling is provided by a wide choice of engines-the "Get-Away Six" developing 123 horsepower, the all-new Red Ram V-8 rated at 175 horsepower, the Super Red Ram V-8 at 183 horsepower, and the super-powered Super Red Ram V-8 at 193 horsepower.

Jerry and Milton Schiller, owners and managers of the local Dodge Agency pointed out another automotive first for Dodge in the introduction of three-tone combinations on Dodge Lancer hardtop and convertible models. These multiple-tone paints accent the flair styling and permit exciting new combinations in exterior color design.

From front to rear the 1955 Dodge conveys an impression of classic, clean-lined simplicity. A feeling of streamlined flight is embodied in the car from the twin-opening grille to the twin-jet taillights.

All 14 models have an increased wheelbase of 120 inches. Overall length is increased by as much as 16 inches on some models, but the cars appear even more lengthy due to Dodge's flair styling.

Moving from the massive chrome grille is a dashing V-type hood ornament, accenting the low, sweeping hood and fast line of the front fenders. Chrome hoods over headlights further emphasize the impression of forward motion.

"New Horizon" windshields wrap around at both top and bottom of the glass for improved and safer vision. The windshield provides cockpit-like visibility for driver and front seat passengers.

The "tumble home," or inboard slant of the car's sides above the belt line, creates an appearance of low, road-hugging massiveness. Doors, too, are new and different--pertly cut back, but wider for easy entry.

Novel treatment of flared rear wheel openings provides a speed-enhancing style feature. The rear deck continues the them of motion, while increasing usabe trunk space by two cubic feet to 37.6 cubic feet with spare tire installed.

Inside, the 1955 Dodge control panel can be compared to an airplane pilot's flight control panel. Dials are placed in a row before the driver and clustered under an "eyebrow" to reduce glar.

Th wider interior is flair-fashioned in harmonious color blends. Easily-cleaned Cordagrain is combined with exclusive double-patterned Jacquard seat cloths. Door panels are dramatically decorated with two-tone color designs and chrome, complimenting the new Dodge upholstery and trim.

R. C. Somerville, Dodge vice-president in charge of sales, pointed out that along with the new Dodge engines, th gar selector lever for PowerFlite transmission will share the sportlight as a major mechanical innovation.

Antlered Buck Should Beware Texas Hunters

Antlered buck, beware! A corps of Texas hunters has taken to brush and mountainside.

Preservation of the meat after the prize buck has fallen is the practical side of deer hunting, says R. E. Callender, extension wildlife management specialist. Venison is a palatable substitute for domestic animal and is processed similar to beef or lamb, says the specialist.

Bleed and remove the viscera immediately after the animal is shot in the field, he says. Wip the carcass dry with clean rags and if the animal is shot badly it's wise to wash the inside with water first. In either case, dry the carcass.

The animal should stay dry and be cooled immediately. If cold Storage isn't available, prop open the carcass and hang it from a tree to chill at night. During daylight hours wrap the carass in a tarp or blanket and remove to a shady spot, Callender adds.

He says transport the buck inside the car or in the trunk --not on the fender next to the warm engine. Wrap the carcass for protection, especially from flies.

The thick, plump rounds of the carcass process the best, Callender says. The shoulder, neck and lower portions of the ribs, when boned, make good sausage.

If the processed meat must be transported over long distances it will keep better if frozen solid. But rminds Callender, frozen meat must always to be used soon after thawing.

W. I. Clarks Celebrate Their 67th Anniversary

W. I. Clark, Sr., who was born in Memphis, Tennessee in 1859 celebrated his 95 birthday October 26

He was an active pharmacist from the age of 20 until he reached 83, when he retired. This was in 1942.

In 1886 he started in the drug business in Granger, Texas, where On November 3, 1887 they were married there in Granger and then made their home in Georgetown.

In 1893 they moved to Rockdale where he was in the drug business for several years, finally moving to Somerville where he was a pharmacist for Van Cleave for three years.

In 1913 they moved to Cameron and he became the pharmacist for E. O. Schiller Pharmacy, where he remained until he retired.

Mrs. Clark was born in Caldwell, Burleson county on January 23, 1868. She grew up in Burleson, Milam, Bell and Williams Counties, and spent most of her life here.

On the 8th of November they celebrated their 67th wedding anniversary quietly at home.

Dr. John Baskin Elected To Academy Fellowship

The American Academy of Pediatrics in Evanston, Ill. announced November 19, the election of 182 doctors to Academy fellowship. New Fellows include Dr. John Lane Baskin, 712 N. Travis, Cameron, son of Mr. and Mrs. Roy Baskin of Cameron.

A doctor, after completing internship, must have at least five years of specializing in the care of infants and children before he is eligible for fellowship in the academy. Then he must pass comprehensive examinations given by the American Board of Pediatrics, after which he may be elected a Fellow of the Academy upon application and approval by the executive board.

The Academy, whose sole purpose of child health and welfare, now has some 4,000 Fellows in the United States, Canada, and Latin America.

The right kind of experinence is always worth the cost.

Rockdale Man, George Perry Declares Goats Victims of Press In Saturday Evening Post

Goats have been the victims of a prejudiced and inimical press for centuries, George Sessions Perry declares in the current (Novembr 20) issue of The Saturday Evening Post.

Only with rare exceptions do they ever dream of making head-on flying tackles at the human fundament, he relates, and only when the first nip of autumn comes in the air do they generate any noteworthy odor.

Perry's article, "I Love Goats," relates that it is only when a goat is drenched with ardor and has a one-track mind, that he smells like a paper factory.

In general, the author says, goats are among the most fastidious, clean, inventive, endearing and alert of man's four-legged friends. As individuals, he adds, they often have irresistible charm and are subject to genuinely Platonic love and loyalty.

It is reported that Texas grows more than 95 per cent of the Angora goats in the United States and 90 per cent of these live in a mere sixteen of the state's sprawling 254 counties.

Beef hors D'oeuvres For Party - Goers

Party-goers are in for a new treat. Beef hors d 'oeuvres--hearty enough to stave off starvation for those who "forget" to eat later yet subtle enough to arouse the envy of every hostess in the house - are causing excitement in social circles everywhre.

Recently introduced at the elegant Houston Club, today's featured appetizers are tributes to the versatility of beef. Developed by mmbers of the Texas Beef Council in Harris County, the hors d 'oeuvres recipes are "just the beginning" of "the new beef story."

Hostesses looking for ingenious, different and original palate pleasers to serve guests after the football game or before the Club dance can "borrow" from the beef intended for tomorrow's dinner and test these teasers. Then, just for fun, experiment with your own recipes for really original dips, spreads and skewered dishes.

BEEF CANAPES

Houston Club guests were particularly fond of beef canapes spread generously on fancy cocktail crackers. The ingredients:

1 lb. cooked beef, ground fine
1 small onion
2-3 cup pecans, finely chopped
1 tbs. horseradish
Mayonnaise to taste
salt and pepper to taste

Add seasonings to chopped beef and pecans. Add mayonnaise to proper consistency and pipe with a pastry tube or spread on fancy cocktail crackers.

BEEF IN A BUN

3½ cups flour
2 cups milk
4 oz. butter
2 tbs. sugar
1 tbs. salt
1 square yeast
24 buns
8 oz. package of dried beef

Absorb yeast in ½ of milk, then mix remaining ingredients together to consistency of "springy" dough. Roll into ¼ inch thick strips about 2 inches wide. Cut into 3 inch lengths. Roll small amount of dried beef into middle of each piece and bake in moderate (350 degrees) oven for 10 - 12 minutes.

4,691 Texans Enter Service 5,365 Separated

While 4,691 Texans were entering the armed forces in October by way of the draft and enlistment, 5,365 others were being separated.

This was revealed Wednesday in a rport mailed to the national headquarters of Selective Service by Brigadir General Paul L. Wakefield, state Selectiv Service director.

Of the 4,691 Texans entering the armed forces in October, 3,485 went in by enlistment, the remainder through the state's 137 draft boards.

Enlistees went into the army, air force, navy, maries, and coast guard. The 1,206 October draftees went into the army. Currently, services other than the army are not using the draft.

Six Texas doctors were reported to state Selective Service in October as being commissioned in th armed forces after orders to report for induction wre mailed to them.

Texas draft boards had 2,600 men examined by the armed forces during October and got 1,629 declared acceptable for service. A total of 971 was termed unacceptable by the army examining stations. Percentage-wise, 37 per cent of those sent for the combined physical-mental examinations failed them.

"READY", "WILLING", and "ABLE" find it hard to manage their ears right now, but some day they will grow up to be Guide Dogs who serve the blind, a most serious job demanding a high degree of inteligence and responsibility. The guide pups ar part of a stock of more than 100 pure-bred German Shepherds raised each year at San Rafael, Claifornia. The non-profit organization, which gives Guide Dogs and training free of charge to blinded veterans and civilians from the 22 western states, is now carrying a membership drive in Texas. It is supported entirely by voluntary contributions. The Drive for members closes December 15.

Average Tax On Texas Farms Show Increase of 3.3 On 1953 Record

Taxes on Texas farm and ranch lands were 3.3 percent higher in 1953, the last year for which records are available, than in 1952.

This was the seventh year of con secutive land tax increases, according to a continuing tax study being conducted by L. P. Gabbard, agricultural economist of the Texas Agricultural Experiment Station. The average tax per acre in 1946 was 17.3 cents and in 1953 it was 27.9 cents.

The absolute tax per acre is important to farmers and ranchmen, but is not as significants as the burden of the tax. The burden of farm and ranch taxes is shown by a ratio of farm taxes to farm pri-farm taxes to farm pri- SHRDLU ces.

The absolute average tax per acre increased only 3.3 percent in 1953 over 1952, but relatively this was due to a slight increase in the tax per acre and to a substantial decline in farm prices. The index of farm prices of 332 in 1952 dropped to 273 in 1953. The ratio or burden of real estate taxes relative to farm prices increased from .90 in 1952 to 1.14 in 1953, or 26.7 percent. With an absolute increase in the tax per acre, however, there may be an apprciabl decline in the tax burden. For example, in 1951, the tax per acre was half a cent higher than in 1950, but farm prices were sufficiently high in 1951 to actually lower the tax burden relative to farm prices 16.5 percent.

There were no significant changes in the proportion of farm taxes levied in 1953 by the various types of governmental units over 1952.

LETTER TO THE EDITOR:

Dear Sir:

I am writing in an effort to locate my mother. I was only 18 when I left her in Cameron October 9, 1938.

I have had lawyers asking about her there, but the only information they ever told me was that she cooked for a Mr.Bates.

This has been going on for about two years. I feel like she has married again and may be living right there but no one knew of her as Myra Davis.

I know of nothing else to try. I have written to the Social Security Agency, but they cannot give out any information in that nature, also I have written to several county clerks for records of marriage records, but it has all been in vail.

If you could help me in this matter, I know you would receive a great blessing.

Sincerely,
Mrs. Alene Johnson

Cameron Takes Share Of 22-AA Title

DISTRICT 22-AA REPRESENTATIVES: Shown above is the Yoe High School 1954 football squad who Friday night gained a share of the district title with a victory over Rosebud. The Yoemen, tied for district with Georgetown, will meet the Killeen Kangaroos in a bi-district clash. The Eagles were defeated earlier by Cameron, 7-0, which gave the Yoes the nod to represent the district. The Yoemen closed out the regular season play with a 5-5 record, and district play with a 4-1 record. Coaches for the squad are Leo Jackson and Dick Young.

Yoemen Slap Panthers For 6-0 Loss; To Go To Bi-District Playoff

Cameron Yoemen, scoring their only touchdown early in the second quarter, took a share of the District 22-AA championship while giving Rosebud Black Panthers a 6 - 0 spanking on the Yoe Field night. Although showing no offensive power, the Panthers defensive power opened up and kept the Yoemen down.

But nothing could stop the Yoes, who had their eyes on the district marker as they continued to gain yardage all evening. They went sixty yards for the only score with the Yoemen speedster Jimmy Rettig plunging over from the one yard marker for the score. Leon Beale and Buddy Thompson, along with Rettig worked the ball downfield to get in scoring position. George Absnaider's extra point try was low.

Rosebud never once threatened throughout the game, with all of their energy exerted during defensive plays. They did however move while in their own part of the field, but as soon as they hit the Yoemens territory, Cameron put up an iron curtain and the Panthers failed to penatrate.

Captains for the Cameron Yoemen were quarterback Joseph Michalka and End Benny Massengale

Cameron received the opening kickoff with the Yoes swiftly moving to the Rosebud 36 yard line where the Yoemen fumbled and Rosebud recovered But one play later Rosebud fumbled and Cameron took over again, on the Rosebud 40 yard line

Runs by Rettig, Thompson and a 16 yard pass from Michalka to Beale took Cameron to the Rosebud seven yard marker But two plays the Yoemen lost eight yards, Rosebud penalized five yards, the Yoemen tried a fourth down pass from Michalka to Heitman which was no good, and Rosebud took over on their own 11 yard line

After holding the ball for a few moments the Panthers failed to move and the Yoemen took over after a Panther punt

After each exchanging punts, the Yoemen began their touchdown march on their own 40 yard line. Thompson drove for 4, Rettig raced to 15, Thompson carried for 4; Rettig took the ball twice for a total of 9 yards, a 5 yard penality against Rosebud, with Beal's six yard gain, Thompson and Rettig added the remaining yardage with Rettig plowing over from the one yard line for the score Absnaiders kick was low, and Cameron had Rosebud, 6-0

The two teams exchanged the ball twice with Cameron holding it two times to Rosebuds one before the half ended

Rosebud took the kickoff at the half but with the blocking of John Duncan, Benny Massengale, Paul Hoelscher and others the Panthers were forced to kick. Cameron took over on their own 25 yard line but later had to kick to Panther 25 yard line.

This time Rosebud had possession of the ball two times while Cameron had it only once before the third quarter ended. Neither team threaten th othr during that quarter with both teams fighting it out in midfield.

Cameron was in possession of the ball as the fourth quarter began. The Yoemen moved deep into Panther territory but Rosebud held and Beale punted out to th Rosbud nine yard line.

From this point the Panters faked out and moved up the field but Rettig saved the day as he intercepted a pass on the Cameron 25 yard line. Cameron took big dashes at the Panther line and with a fourth down gamble, Rettig scooted to five yards and a first down on the Panther 20. But Rosebud recovered a Cameron fumble and took over. Rosebud took the ball and went to the air but Joe Lee Heitman intercepted the Panther pass on the 50 yard marker and ran back 20 yards. The Yoemen were again moving in on the Panthers as the final gun sounded and Cameron had tied with Georgetown for the District 22-AA championship and their first victory over Rosebud since 1951.

The entire Cameron backfield shared the honors Friday with Rosebuds Cleve Sapp and William Schneider standing out in the Rosebud offensive squad. Schnieder was also outstanding in defensive playing.

Cameron, who takes over the District 22-AA throne room with Georgetown will play Killeen in a bi-district clash. The Yoemen tied last year with Rosebud and Belton for first place, but this is the first year the Yoemen enter bi-district play since 1951. The Yoemen with a 3-1 district record narrowly outscored all of their opponents, except Belton to earn a share of this championship.

Killeen Held To Tie; Will Meet Yoes In Bi-Dist.

The Killeen Kangaroos were held to a 0-0 tie Friday night by the Lampasas Badgers but gained the right to represent the District 21-AA teams in bi-district play. The big 'Roos will meet the Cameron Yoemen in bi-district play. Killeen supports a season record of nine wins, and one tie.

Georgetown Eagles kept right up on the Yoemens heels as they came from behind to win over Taylor 27-17 and share the District 22-AA title with Cameron.

The Belton Tigers threw the Rockdale Tigers deeper in the celler aftr a 26 to 12 victory. Rockdal is winless in district.

With Georgetown and Cameron tied for first, Belton held on to a second place berth with a 3-2 record; Taylor and Rosebud tied for third with a 2-3 district record while Rockdale was last with a 0-5 district standing.

Emil Adler of Brenham was an overnight guest Friday in the home of his sister, Mrs. Erwin Pimpler and children. Another brother and family, Mr. and Mrs. Edward Adler and daughter Ms. Albert Watts, of Temple were guests Sunday in the Pimpler home.

News About Your Social Security

Up to 10 million more persons can begin to earn social security protection as of Jan 1, 1955. The new amendments bring some kinds of work under the law for the first time and change the requirements to include more people in certain other kinds of work.

BROUGHT UNDER THE LAW FOR THE FIRST TIME

Self-employed Farmers

A person who operates a farm, ranch, or any other agricultural enterprise is covered by social security beginning Jan. 1, 1955, if his annual net earnings from self-employment are $400.00 or more. A simplified method of reporting is provided for low-income farmers who may not keep detailed records. The Austin Office has a pamphlet giving detailed information about the new type of social security coverage. Write them for your copy of pamphlet "Farm Families."
